## School's OUT

We know that your kids are excited about their last day of school and so are we!

We have decided to celebrate. We will be having a School's Out Celebration on June 19 from 10:00 am til 4:00pm. From 10-4 that day the admission price will be \$5 per child. We will also have popcorn and cotton candy available for purchase at that time.

Coupons or multiple child discounts will not be taken during the School's Out Celebration.

## Congratulations

Jumpin'Jax wants to congratulate the CHRISTIAN APPLE TREE LEARNING CENTER on their grand opening last Saturday. I popped in for a preview and spoke to owner Lisa Rath. What an amazing place for children. I loved the half walls and glass walls, which allowed me an open view of all that goes on in the facil-

ity. Each room accommodates the age of the children. I couldn't get over the itsy bitsy chairs in the toddler room. They have web cams everywhere so moms and dads can view their childs development and experiences on their computer at work.....COOL! Best Wishes Lisa!

## Father's Day Craft, You and Me book

### Materials

Cereal box  
 8 1/2- x 11-inch white paper  
 Hole punch  
 Ribbon or string

Cut a 9 1/2- x 6-inch rectangle from the cereal box and place it picture-side up. Fold it in half. Stack white paper, fold the sheets into quarters,

cut along the top, and set the paper inside the card-

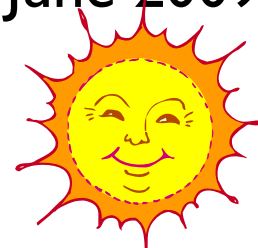

board. Punch three holes through the paper and card-board and thread ribbon to bind.

Now, brainstorm topics for the book. If it says on the

left page "My Favorite Animals," then print on the facing page, "Your Favorite Animals." Your child can draw or write in his answers, leaving the other side blank for his father to complete later. Other topics might be favorite colors, special places or five things you love about the other person.
